- I felt the agenda for the meeting was clearly laid out with a good structure.
- Strongly Agree
- Agenda was clear and after updating we had enough time to spend in important issues.
- Agenda was a good guideline, left space to be flexible and stretch or shorten things on the agenda
- We made some last minute changes, but it all worked out fine.
- All presented very clearly

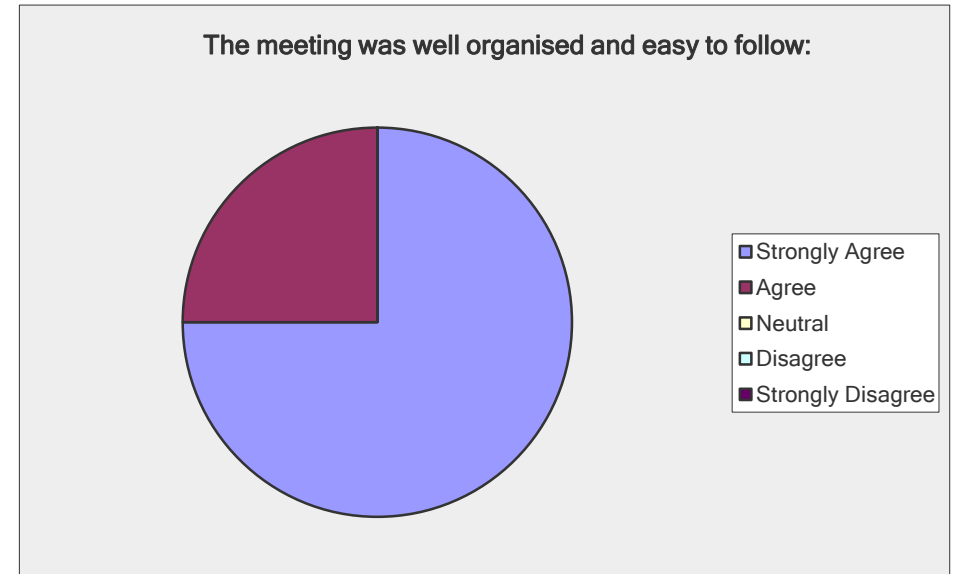

The team presentations were useful and informative:

- Brilliant meeting well done to Jaana and her team.
- The leader of the organising college could lead the conversation more strictly but everybody had prepared their presentations well.
- Savon did a great job in organizing the meeting

Participation and interaction was encouraged:

- Everyone had a role to play at the meeting, which was apparent with the work that was completed, throughout the meeting.
- Nice workshops
- Interaction was lively, but sometimes participants discussed during the presentations. It is sometimes difficult to get opinions when there are strong person in the group. Small groups worked well.
- Working group was good! Discussion, immediately able to do the work. Quick and efficient.
- There was a very High activity level of activity throughout the whole meeting. So nice!!!
- Great group interaction
- Splitting into groups is a great idea

The resources and materials provided were relevant and of a high standard:

- Everything that was produced by each partner was to a high standard.
- It was easy to follow because all important material was found in Dropbox
- Would be helpful if all the documents were in one folder. On dropbox or something else.

I felt fully involved in the Project Event:

- I thought the room was good; however it would have been good to have a room with a window.
- to warm and no windows
- We could have had better rooms for group work
- To warm in the room
- could have been bigger, facing each other is better for communication
- Small, no daylight, small tables, warm
- Perfect place to be
- An excellent level was provided by the host
- The hotel was great but I'd have liked to do it at school

The hotel accommodation used was satisfactory:

- Excellent accommodation, well done to the school and there students.
- I did not stay at the hotel
- Yet again an excellent service was provided in this area

<p>What I liked best:</p> <ul style="list-style-type: none"> • I liked the fact they completed a lot work for the development of the project outcome • with the confidence to discuss with partners • Meeting members from participating countries. We made a big leap ahead with process guide, matrix and templates. • A good co-operation with the partners • - constructive and willing working atmosphere - evening event was great • Efficiency on working in the working group the effort of the hosts for the re-creative program and team building. • I liked the whole atmosphere of the meeting and the intensity of the work processes • Everyone was working hard, and we did get a lot done. • Implication of everybody. Work in groups. See that project is generating good products. Programme • The blend of constructive work processes combined with team building activities was an excellent process for the project and the designated team • Detailed program and productive work. • Good atmosphere and trustiness • Great work atmosphere and maximum understanding. We have given a great step forward • Discussion across partners/countries • Good atmosphere of meeting, friends working together • The hospitality and preparation of the Finnish team 	<p>What I liked least:</p> <ul style="list-style-type: none"> • The meeting room without any windows • The conference room • I can't find anything negative • Small conference room. • Kind of like everything • People still are a bit noisy during the meeting • In some moments of the meeting is seems to go too slow. • Nothing at all • The weather outside :) • Time was too short. • We missed school atmosphere • The darkness at this time of the year • Nothing • Every single thing was good
<p>What could be improved:</p> <ul style="list-style-type: none"> • I felt the meeting was well structured and coordinator throughout. (no changes) • all is well in the project Time table and the plans • Nothing • Extra working group on Evaluation instrument. Saves time to discuss in the big group. • Nothing :-) • I don't think nothing needed improving. • Nothing • Nothing, keep up the good work • Nothing • Maybe too much work for too little time? • I can't point at anything • I don't know 	<p>As a result of this meeting I will:</p> <ul style="list-style-type: none"> • I will complete all the required milestones, I would also like to promote more of the project across the UK • Inspired For the work the common weeks • Be more active and work harder with my task • continue working in a motivated way • be really motivated to finish the jobs/assignments after the conference • Be busy • Go home and Work :-) • Nothing • Develop and promote further projects and developments through my senior management team • We will review evaluation form. • Hold on our own milestones and tasks for this Project. • Have clear milestones • Help our staff members in the project work • know better what to do for the project • Review the work done by our team and fix mistakes if any

Other information I would like:

- updates on assignments in between of working conferences
- time table of forthcoming events and meetings

Any other comments:

- Brilliant meeting couldn't ask for any more!!
- Nice program in spare time
- The evening program was very nice
- Great hospitality of the Finnish hosts!
- I feel motivated and confident that the project will succeed to do what it set out to do.
- It was again nice to meet very good friends, thank you all!
